

# LAB 1

## SEARCHING THE WEB

- What is your approach to searching the web?
- How can you get better results?

## SEARCH FOR YOURSELF

- How easy are you to find?
  - Try two different search engines

## WORDPRESS

- Blogging, content management tool
- Used by many sites
  - Defacto standard
  - Available to you freely post-graduation
- Customizable themes and plugins
  - Free and "premium"

## YOUR MISSION

- Search refinement
- Find more examples for DH projects
  - Create a page in Wordpress
  - Organize and categorize the DH projects
- Twitter account
